

Girls Tennis Donation Fundraiser

Dear _____,

The 2012 Murrieta Mesa Girls Tennis Team is requesting your help! We will begin our 4th year as a tennis high school program.

Your donation will help us to establish a strong and successful tradition. The money is needed to cover the costs such as equipment, uniforms, transportation, court maintenance, coaching stipends, banquet and assist in reducing the overall costs for each participant. Our goal as a tennis program is to develop student-athletes and become strong competitors in the Southwestern League, while focusing on creating a cooperative spirit among fellow athletes, the student body staff, opposing schools and our community. We would appreciate your help and support! If assisting the girl's tennis program is something that you can commit to please go online to Murrieta Mesa High School (mmhsrams.com) create an account and do the following:
